

Dear Light Ministry Team Mentor,

You're reading this packet because an adult from our Light Ministry Team is wishing for you to mentor them in fostering a deeper love for Christ and becoming more effective in their ministry role.

I first of all want to say thank you for considering being a Light Ministry Team Mentor. Your role as mentor is one of great importance in helping our leaders to foster a greater love for Christ through spiritual growth and become more effective in ministry through sharpening their skills. Just as Timothy had Paul to come along side of him and sharpen him both spiritually and in his ministry. I believe that you will have great joy in seeing this happen in the life of your disciple. Please read through this packet of information and pray about your role in mentoring. You will find what the expectations are for a mentor and what your role will be as well. After reading this information, if you choose to become a mentor than please fill out the short application and sign the commitment area and return to PJ or your disciple. Once again thank you for considering this ministry to our Light Ministry Team.

In Christ,

Jason Borton (PJ)
